Follow My Dream

Who am I? A human that has been through trials and tribulations to become the man I am today. I learn from my mistakes and I overcome objections the best way I can. I live to seek understanding. Life is a game that must be played. In order to win, you got to avoid being caught up. My name is Jakeem AKA Big Cheese. Follow My Dream. My dream is to become a music artist. Not only for Hip-Hop, but for other genres. I have to ability to go into a crowd of 1,000 that never knew me and leave them saying "Who was that? He's a great performer"

My music is universal. I make music for the universe. I make music off my life, how i feel and what I think. I am on one mission: To get signed. If you're not here to help Or support me with my dreams or goals, don't get in my way. To those who believe in me...Follow My Dream.
